

## After a flood

If you have been affected by a flood, there are a number of things to be aware of when clearing up:

? Contact your insurance company and register your claim.

? Take photos or videos and make a list of everything that has been damaged.

? Flood water could be contaminated or contain sharp objects so always wear protective clothing, boots and rubber gloves when cleaning up.

? Find out how to dispose of flood damaged items safely, after you have spoken to your insurance company.

? Get your electricity checked by a qualified electrician before you turn it back on.

### ! Beware of rogue traders

If your property has been damaged, don't be tempted to agree to have work done by someone who appears at your door unannounced. Always use reputable building contractors and do not pay in advance. Find a trader using the County Council's Buy with Confidence scheme [www.buywithconfidence.gov.uk](http://www.buywithconfidence.gov.uk)

## Useful contacts

### Weather updates:

Tune in to your local radio for the latest information or check the Met Office Severe Weather Warnings.

[www.facebook.com/metoffice](https://www.facebook.com/metoffice)

[www.twitter.com/metoffice](https://www.twitter.com/metoffice)

Check the Environment Agency's flood warnings and alerts <https://check-for-flooding.service.gov.uk/>

### Emergency flooding contacts:

You can contact the Police or Fire Service on **999** if there is an immediate risk to life (101 for non-emergencies).

### To report flooding:

**Environment Agency Floodline - 0345 988 1188**

To report a flood or if your property is at risk of flooding from a reservoir, river or coastal water.

**Gloucestershire Highways - 08000 514 514**

If flooding is from the highway.

### For utilities:

**Severn Trent Water** on **0800 783 4444** or **Thames**

**Water** on **0800 316 9800** or **Bristol Water** on **0845**

**702 3797** if flooding is from sewers or burst water mains.

For power cuts call **105** to report or get updates when your electricity has been cut off.

For gas emergencies call **0800 111 999**.

### Rehoming:

If you need rehoming due to flooding impacting your home please contact friends or family, or your insurance provider or landlord.

If this isn't possible call the District Council on **01285 623000**.

### For advice after flooding:

Details of any government support or grants available to homeowners and businesses affected by flooding will be published on our website

in the Cotswolds...  
all you need to know

One in six  
properties in  
England is at risk  
from flooding

**COTSWOLD**  
DISTRICT COUNCIL

## Flooding can happen anywhere - are you prepared?

One in six properties in England is at risk from flooding. Heavy rain has had a devastating impact where people have had to leave their homes and seen valuables destroyed by flood water.

### How to prepare for a flood

There are things you can do to reduce the impact of flooding by preparing in advance, such as:

- ✓ Have the correct home insurance policy in place.
- ✓ Write a simple plan of how you would respond to a flood - include emergency contact numbers, essential documents, medication and belongings you would need if you had to evacuate.
- ✓ Prepare an emergency flood kit with items you may need if flooding means you can't access your house.
- ✓ Keep your drains and gutters clear of leaves to help prevent blockages and localised flooding in heavy rainfall.
- ✓ Make sure you know how to quickly turn off your water, gas and electricity mains.
- ✓ Buying sandbags or other flood protection products might help but check government advice about how best to protect your home [www.gov.uk/prepare-for-a-flood](http://www.gov.uk/prepare-for-a-flood).

Sign up to flood warnings by visiting [www.gov.uk/sign-up-for-flood-warnings](http://www.gov.uk/sign-up-for-flood-warnings)

## What to do during a flood

Flood water can rise quickly, so always focus on the safety of yourself and your family before your property and be prepared to act quickly. **If there is an immediate risk to life or you are trapped by flood water call 999.**

**In the event of an emergency or severe flooding, follow these steps to stay safe:**

- ⚠ Move your family and pets upstairs, or to a high place with a means of escape.
- ⚠ Move important items and documents upstairs or somewhere high and safe.
- ⚠ Turn off gas, electricity and water supplies if flood water is about to enter your home.
- ⚠ **DO NOT touch any electrical appliances or cables when standing in flood water.**
- ⚠ If you are asked to evacuate your home, first contact your insurance provider or landlord (if renting) as they may be able to provide you with temporary accommodation. If you are uninsured or your landlord isn't able to help, contact your friends and family to see whether they can help. If you are unable to find alternative accommodation you can contact Cotswold District Council on **01285 623000** for assistance.
- ⚠ Avoid walking or driving through flood water.

## How local agencies support during a flood response

We work with the Police, Fire and Rescue Service, the NHS, Town and Parish Councils, the Environment Agency and other partners to manage flooding.

Organisation	What they are responsible for and support provided:
<b>Gloucestershire County Council Highways as the Lead Local Flood Authority</b>	Any flooding affecting property, roads or paths including flood prevention on highways from surface or groundwater.
<b>Severn Trent Water, Thames Water or Bristol Water</b>	The local sewer system and any flooding that may affect them. Let them know if you have any issues with sewer water.
<b>Environment Agency</b>	Any flooding issues affecting main rivers. They are responsible for managing the flooding and flood prevention in those main water courses.
<b>Gloucestershire Police and Gloucestershire Fire and Rescue Service</b>	Support with closing roads and helping in the immediate response to a flood but have no statutory responsibilities for flooding.
<b>Local Town or Parish Council</b>	Your local Parish Council may provide flood support. Check with them for more information.
<b>Cotswold District Council</b>	We may be able to support by rehoming anyone who has to leave their home due to flooding, or who has been affected by flooding from ordinary/minor watercourses.
<b>Local landowners</b>	It is the responsibility of landowners to maintain water courses on private land.
