Does your neighbour need your help?

With the Covid-19 virus affecting people across the country, your neighbour may need your help if they become unwell.

Can you help your neighbour by:

- ✓ Making sure they have enough food and other general supplies to cover a few days - there is no need to panic buy though
- ✓ Making sure they have some simple recipes to hand, if they are not the normal chef or have done some batch cooking for the freezer
- ✓ Walking their dog, picking up a prescription, putting out their bins or taking in a parcel
- ✓ Phoning, Skyping or facetimeing them so they can see a friendly face, helping to reduce their isolation
- ✓ Sharing child care or other caring responsibilities
- ✓ Checking if any of their planned appointments have been cancelled before they travel

Corona Virus

As we are now in uncertain times with regard to the Corona virus, we ask that all members of the community, who are willing and able, to act in a good caring neighbourly manner, particularly in support of the elderly and vulnerable of the Parish.

If you are in need of support or assistance telephone numbers and email addresses of Parish Councillors can be found above.

We trust everybody will remain safe and well.

Parish Council

Friends of Fairford and Lechlade communities nurses

We have decided that as well as the normal palliative care visits we make we would be happy to visit any vulnerable isolated people in the villages.

If any of you know anyone who would benefit from a nurse visit our mobile number is 07938244335.

Friends of Fairford and Lechlade Communities

Friends of Fairford and Lechlade Communities are in desperate need of drivers who are under 70 and have no underlying health issues. For those who are willing and able this need not be a permanent commitment, but just a means of helping the local community during a crisis.

Please contact Val Harvey on 07540798226

Kempsford COVID-19 Community Support Group

It's a difficult time for all in our nation and around the world. The Bishop of St Albans has developed some 'Golden Rules' for this time:

Golden Rule One. Each one of us can think about how we can protect and support our neighbours. So much of the public rhetoric is sowing fear about the danger of other people. So, taking all the official precautions, offer help and reassurance to others – **and don't** demonise anyone or any group.

Golden Rule Two: Think about who may be suffering more than me. For those of us who are healthy there is much less to worry about but the elderly, the housebound and those with chronic health conditions may be very anxious. How about giving your friends a phone **call each day. There's nothing like a friendly voice to offer solace when someone is worried.** A smile can bring cheer, even on the phone. If you visit, follow all the official precautions or **don't go.**

Golden Rule Three. **Don't give into panic and start hoarding food. There is plenty to go** around, so practise the Christian discipline of sharing. Ask your neighbours what they need and do your best to help them get it. If you are self-isolating you will of course need some supplies.

Golden Rule Four. Live today to the full. None of us ever know what the future holds. In the Sermon on the Mount (Matthew 6. 25 – 34), Jesus challenged his followers to live each day fully and not be afraid. Every time we are tempted to give in to fear we need to make a conscious choice to respond in trust and openness.

And, along with just over half the adults in the UK, don't forget to pray. Here's a suggestion from the Revd Louise Collins:

*Dear God our Shield and our Defender,
guide and protect my neighbour in this time of health emergency; deliver them from all
harm and may your love and care ever grow in this place. Through Jesus Christ, Our Lord,
Amen.*

If you do need help or assistance at this time, do get in touch.

There are no services taking place at either St Anne's Whelford or St Mary's Kempford.

At the moment funerals can take place and so Rev John Swanton should be informed about any death that occurs in this parish, for although this guidance may change.

The Lent Lunches and Good Friday Children's' Easter Craft Morning are also cancelled.

The South Cotswold Team Ministry, of which we are a part, are organising recorded "virtual" worship at home services for Sundays and these can be found at <https://www.chqchurches.net/>

There is a Facebook page set up by Hannah Dickens to connect the house-bound and the self isolating in Kempford with contact details of those who can run errands and collect prescriptions.

Whelford Women have set up a similar organisation so that as a community we can look after one another.

If you know of anyone who is experiencing extreme hardship, please make them known, in confidence, to the church wardens.
