# St Mary's, Kempsford with St Anne's Whelford

John Swanton, Team Rector 01285 – 851309

email: [john@swanton.plus.com](mailto:john@swanton.plus.com)

May 2016

Dear Friends and Neighbours

In the summer, around the Diocese of Gloucester, there will be a series of conversations taking place in which many people will be asked about their hopes, aspirations and expectations of the church. I hope you will take part in these conversations.

Good conversations are a two-way exchange where people both speak and listen – and probably listening is the more important bit. It's all too easy to think we have heard what the other person has said. But sometimes we hear what we want to hear; we can filter out what we don't want to hear. We can fail to pick up on body language and facial expressions – because sometimes people say what they think we want to hear; or don't really want to say what's on their mind. And sometimes we don't know what to say (or blurt something out) because we haven't really given ourselves time to think.

Communication can be complicated stuff!

For those who are members of the Christian community, we also need to be in communication with God because we need to find out what God wants for His church and His world. We can do this by spending some time in prayer. At its most simple (and I like simple), prayer is talking with God – often silently speaking to Him from the heart; bringing to Him our hopes and fears; seeking forgiveness and being expectant.

We want to ask:

- What is the Holy Spirit saying to us?
- What is your dream or vision for the Church in five years time?
- What can we do to realize this vision?

During May, why not drop into church and look for the 'Prayer Stations' that we are setting up. You will find some resources there to help us all pray as we commit our church to serving our community in God's name, as we seek to do His will.

*Rev'd John Swanton, Rector*

# Beating the Bounds - Sunday 8th May

The walk will start at 10.30 am on 8th May from the Lych gate at Kempford church. We will then proceed through Manor farm towards Dudgrove for a pit stop. Then proceed for a river walk along the River Coln arriving at the Arkells for another pit stop. Then we proceed along the road through Whelford and on to Dunfield for tea at Mrs Northens. The walk should be completed by around 4.30 pm depending on duration of the stops.

A tractor and trailer will be available after Dudgrove farm for those that need it.

Please note that this walk can only take place thanks to the kind permission of above land owners and householders. Walkers are not insured in the event of an accident. Please ensure that you bring suitable footwear for walking in the countryside.

## Kempsford Footpath Walkers

Many thanks to all those who joined us for our last walk at Whelford

Our next walk will be:

**Saturday 14th May at 10.30am. Meet at the gate to the Thames Path by Hannington Bridge.**

This will be a fairly short circular walk, probably taking 1 - 1.5 hours.

As there is only limited parking near the bridge, please try and car share if you are driving to the meeting point. Some parking is available by the bridge or further along at the Highworth bridle path

The walks are open to all, so please come along and join us. There is no need to book, just turn up on the day.

We aim to start the walks promptly so please be at the meeting point 5 minutes beforehand.

## Parish Council News

### Pot-holes and Highway issues

Concerns over pot-holes and other highway issues was raised at the Annual Parish Meeting last month.

The Parish Council regularly report issues to both Gloucestershire and Wiltshire Councils. It would be helpful if residents could also report issues direct to these organisations to raise the profile and hopefully speed up repairs.

One of the most affected areas is the C124 from Kempford to Latton. As the road switches county several times it can be confusing to know whose responsibility certain areas lie with.

## **Community Emergency Plan**

Thank you to everyone who volunteered to assist in the event of an emergency. The plan will be updated and published in due course.

## **Grass-cutting and Dog Fouling at Middle Farm path (Top Road to High Street, Kempsford)**

With regret, we advise that the Parish Council grass-cutting contractors will no longer cut the grass along the Middle Farm path due to the large amount of dog fouling.

A dog waste bin is situated at the gate on to Top Road, and another is due to be installed shortly at the other end of the path leading on to the High Street.

## **Volunteer Newsletter Distributors**

Thank you to residents who responded to our request last month for a volunteer to deliver the Parish Newsletters to the new housing development in Kempsford.

With 540 copies printed each month, we are extremely grateful for the help of volunteers in delivering them.

## **Closure of Cotswold Volunteers' Dial-a-ride Service and Voluntary Car Services**

Following the recent announcement, the County Council stepped in to find an alternative supplier.

Community Connexions have taken over the provision of services and other organisations have offered support where possible.

It is hoped volunteer drivers can be retained.

Cotswold Volunteers' provided a wide range of services and residents are asked to be patient whilst a full understanding of all services is gained, and the transition take place.

# A great walk. A great cause.

What could be nicer than walking on Minchinhampton common on one of the longest days of the year, with stunning views of the Stroud valley below? And what could be better than raising money to support people near the end of their lives, when they need it most? If that sounds like a very attractive combination, then the Solstice Walk is just the thing for you (and for your family, friends and dog!).

The walk starts from Longfield's building in Burleigh Lane from 6pm on Friday June 17<sup>th</sup> and you can choose a 5km or 10km route. In addition to the joy of walking, there'll also be music, children's entertainment, a barbecue and a licensed bar, so you can make a real night of it. If you choose to walk in memory of a loved one, you will also be able to tie your Solstice Walk ribbon on the memory arch in Longfield's beautiful gardens.

Any money you raise will fund the amazing support that Longfield provides to people living in Gloucestershire with life-limiting illness. They support people with a wide range of illnesses, from diagnosis onwards, and provide much-needed help to their families and carers too. The entry fee is £18 for an adult and £7.50 for each child, but this drops to £15 and £5 if you register before May 6<sup>th</sup>. And if you can raise £150 or more, your entry fee will be returned, so you walk for free.

So sign up for this delightful occasion today, at [www.longfield.org.uk/solstice2016](http://www.longfield.org.uk/solstice2016) or, if you want to know more, call 01453 886868 or e-mail [events@longfield.org.uk](mailto:events@longfield.org.uk) .

## PRESS RELEASE

Great Western Air Ambulance Charity is charity funded air ambulance service who are ready to save the lives of local people in Bristol, Bath and North East Somerset, Gloucestershire, South Gloucestershire, North Somerset and parts of Wiltshire.

Our crew attend serious incidents across the region by helicopter or by one of our two critical care cars.

When someone is seriously ill or injured time is of the essence, and they need expert help fast. This is where we come in.

Within four minutes of a 999 call our aircraft takes off. We work to the Gold Standard Critical Care Model, which means we rush a Critical Care Paramedic and Critical Care Doctor straight to the scene. We arrive no more than 20 minutes later, anywhere in the region. Our average flight time is just 12 minutes.

The service we provide is reliant on our brilliant team of pilots, critical care paramedics, and critical care doctors who specialise in pre-hospital care and trauma medicine.

From emergency caesareans to roadside amputations or treating cardiac arrests, it's the skill and dedication of our team that means one patient in five – a patient otherwise expected to die – survives.

We need to raise £2.3million a year to stay operational, but despite this we receive no day to day funding from the Government or National Lottery. We rely on people like you. Together we save lives.
